

# Arizona Emergency Services Association Mid-Year Conference January 10, 2008 Tucson, Arizona

## “Lessons Learned”

### Speaker Biography

#### Jan M. Lindner

Jan Lindner has 18 years of Emergency Management experience in both the Private and Public sector. Since 2003 Jan has been with the Arizona Division of Emergency Management Preparedness Section, Training and Exercise group where she held the position of State Exercise Officer. Until her transition to TOPOFF 4 Exercise Officer her responsibilities included: interaction and coordination with 15 Arizona Counties to ensure Homeland Security Exercise and Evaluation requirements were met. Administration of exercise grants to local jurisdictions; maintaining and updating Arizona's counties three-year exercise plans and assisted with the State exercise plan. She supervised contract staff for local jurisdiction exercises, compiled after-action reports and corrective action reports for local jurisdiction exercises and assisted with the development of the Regional Statewide and Palo Verde Nuclear Generating Station exercises. Jan identifies and coordinates training needs related to the exercise program, additionally she serves as a staff member of the State Emergency Operations Center during disasters and emergencies.

While at Motorola, she was a member of the Emergency Response team who was promoted to the Coordinator in charge of a 40 member Emergency Response Team, she was a Trainer in the Electronics Division at Air Products and Chemicals where her responsibilities included developing and conducting New Hire Training in support of the Semiconductor Industry Worldwide and where she was also a member of their Local Air Products Emergency Response team and an Emergency Response Trainer worldwide.
